Dear Rotary Club Belgium,

My name is Dawa Norbu Sherpa and I am a teacher at Shree Melamchi

Ghyang Secondary School with 12 years of experience. My journey has been enriched by the unwavering support from Keta Keti Belgium, who have been providing my salary since 2073 in the Nepali calendar. I am deeply grateful for your contribution, which has allowed me to focus on nurturing students, enriching their knowledge, and managing academic portfolios. Your support has been instrumental, enabling me to share my knowledge and experience with my students.

I hope that Keta Keti Belgium will continue their generous support, not just for me but for the betterment of our entire school. Your contribution has significantly enriched our educational environment.

Thank you

Yours sincerely

Dawa Norbu Sherpa
